Activity 1: Match the Word with the Meaning

Draw a line from the English word to its correct meaning or example.

- | | |
|------------------------|---|
| 1. Piggy bank <u>1</u> | A. To keep money for the future. |
| 2. Spend <u>2</u> | B. Money you get from your parents. |
| 3. Save <u>3</u> | C. A special container to hold coins at home. |
| 4. Allowance <u>4</u> | D. To give money to pay for something. |
| 5. Earn <u>5</u> | E. To get money because you worked for it. |

Activity 2: Needs vs. Wants

Read the words in the box. Classify them into the correct column.

Water • Video game • School books • Candy • Food • Designer shoes

NEEDS (Important things)	WANTS (Fun / Extra things)
1. <u>Water</u>	1. <u>Candy</u>
2. <u>School books</u>	2. <u>Video game</u>
3. <u>Food</u>	3. <u>Designer shoes</u>

Activity 3: Complete the Sentences

Fill in the blanks using the words from the box.

save • earn • allowance • spend

- Every week, my parents give me a small allowance my money.
- I want to buy a new bicycle, so I need to save money when I help my uncle clean his car.
- I earn money when I help my uncle clean his car.
- Be careful! Don't spend all your money on candies.

Activity 4: Challenge! My Mini-Budget

You have an allowance of \$10. Look at the price list and choose your options.

Price List:

- Lunch: \$4
- Comic book: \$3
- Ice cream: \$2
- Piggy bank savings: \$1, \$2, or \$3

Now, write 3 sentences to explain your budget:

- I spend \$ 4 on lunch.
- I spend \$ 3 on comic book.
- I save \$ 3 in my piggy bank.

Total money used: \$10
